## GLENDALE GREETES VISITORS TO STATE C. E. CONVENTION

### OWNERS OF ALEXANDRIA HOTEL MAY PURCHASE LA RAMADA AND ERECT HIGH CLASS HOSTELRY

**Company Plans to Secure Noted Foothill Resort and Construct Large Buildings for Benefit of Families Seeking Quiet Life**

With Glendale's need for a tourist hotel greatly evident during the convention, the hopeful word is heard from reliable confidential sources that the owners of the Alexandria hotel in Los Angeles are contemplating the purchase of the La Ramada and Original Casa Verdugo sites from the Baldwin sisters and erecting thereon a high class hostelry which will cater to a family trade.

According to their plans the Alexandria will have hotels in both Glendale and Hollywood, as well as those operated by the company in Pasadena, for the accommodation of tourists who wish to get away from the center of the city and enjoy southern California at its best.

Only recently the Baldwin sisters purchased the foothill resort property as an investment with the idea of interesting some hotel concern in giving Glendale the accommodations for tourists which a city of this size demands.

Situated as it is in the heart of the foothills north of the city and located on the Pacific Electric line and Brand boulevard, the La Ramada property would be ideal for the purposes which it may be put to by the Alexandria people.

### Mr. and Mrs. J. Brewer Visitors From Texas

W. W. Brewer, of Hotel Gray, was the dinner host last night of his brother, James E. Brewer, and his family of Ballinger, Texas, and Mrs. R. S. Kipp of South Pasadena. After dinner the party attended the pre-convention concert at the C. E. auditorium.

Mr. and Mrs. James Brewer have just arrived in southern California from their home in Texas, after a two weeks' automobile tour through the Grand Canyon and other points of interest in New Mexico and Arizona. They will remain here until about the first of August.

### Miss Vera L. Anderson Bride Of W. O. Toenjes

The marriage of Miss Vera Leone Anderson to Walter O. Toenjes came as a pleasant surprise to the many friends of the bride and groom. The wedding ceremony was solemnized by Dr. H. C. Funk at the Lutheran parsonage at 4 o'clock the afternoon of June 24. The bridal couple were attended by Ray Moore of Glendale, and Miss Emma Webb of Sawtelle.

### Today's World News In Brief

(By United Press to Glendale Evening News)

**SUGAR DROPS ANOTHER 10 CENTS PER HUNDRED POUNDS**  
SAN FRANCISCO, June 25.—Sugar dropped another 10 cents per 100 pounds here today, selling at \$5.80 wholesale. The previous price was \$5.90.

**JOHN B. STANCHFIELD, NOTED LAWYER, PASSES AWAY**  
NEW YORK, June 25.—John B. Stanchfield, one of the best known lawyers in the United States, died at Islip, L. I., today, following a brief illness.

**SAMUEL GOMPERS RE-ELECTED HEAD OF A. F. OF L.**  
DENVER, June 25.—Samuel Gompers, overcoming bitter opposition, was re-elected president of the American Federation of Labor today for his fortieth term. The veteran labor leader won over John L. Lewis of the coal miners' union, who put up a bitter fight for leadership.

**ELEVEN FOUND GUILTY OF MILLION DOLLAR ROBBERY**  
TOLEDO, June 25.—Eleven of the thirteen men and women tried on a charge of conspiracy in the \$1,000,000 postoffice robbery here were found guilty this morning. The two acquitted are John J. Eppe, Chicago broker, who was accused of disposing of some of the stolen bonds, and Charles Furrier, Toledo.

**GENERAL LIST HIGHER AT OPENING OF MARKET TODAY**  
NEW YORK, June 25.—The general list was higher at the opening of the stock market today. Early trading was featured by Mexican Petroleum, which opened at 114½, up ¾, and then ran up to 116¼. The latter price is 13 points over the week's low. U. S. Steel was up 3-8 at 72½. After opening at 54¼, up 5-8, Crucible ran up to 56. Bethlehem B was up 1¼ at 44¼.

**TWO WOMEN AND TWO CHILDREN LOSE LIVES IN FIRE**  
BALTIMORE, June 25.—Two women and two children lost their lives, three other persons were burned badly and three more had narrow escapes in a fire which destroyed the home of Meyer Sander, 1809 East Fairmont avenue, here early today. The dead are Mrs. Meyer Sander, fifty-two; Mrs. H. A. Brown, a bride of nineteen; Miss Doris Sander, twelve; Evelyn Silbert, six.

### JUNE BUILDING TO REACH QUARTER MILLION HERE

**Year To Date Now \$1,886,549 And No Let-Up Seen In New Homes Program**

Building permits for June, up to noon today, totaled \$225,111 and it is quite probable that the quarter million mark will be passed before July 1. The total for the year, to date, is \$1,886,549.

Permits taken out yesterday and up until noon today are as follows:  
Mr. Langlands, residence, 509 North Jackson street \$5,500  
John Rehberg, residence, 1112 East Harvard street 3,000  
Zechius Bros., residence, 524 West California avenue 2,500  
J. F. Stanford, residence, 164 South Columbus avenue 2,500  
Renug Laret, residence, 1322 San Fernando Road 1,800  
J. B. Finch, addition, 435 South Pacific avenue 500  
Byram Kearne, garage, 1019 East Wilson avenue 300  
John Weaver, garage, 800 East Maple avenue 200  
B. L. Cline, addition, 307 North Kenwood street 150

### Mrs. J. P. Alexander Entertains Her Cousin

Mrs. J. P. Alexander of 524 East Acacia street had the pleasure of entertaining her cousin, Q. L. W. Taylor of Newport, East Tennessee one day this week. Mrs. Alexander had not seen her cousin for thirty years and his visit was the more interesting because he is living at present near her childhood home, which is an old house built of logs over a hundred years ago.

Mrs. Alexander says the house is still standing and in good condition, though it has never been remodeled or repaired. The houses were built of great natural logs in those days with weatherboard on the outside and sealed within so it is not surprising they can withstand the ravages of the seasons for more than a century.

### Local People Attend Jolly Picnic Party

Brookside park was the scene of a jolly picnic on Friday when a group of Glendale young people motored over to enjoy the swimming pool and other attractions. Mrs. Walter L. Pierce, Mrs. R. R. Cochran, Mrs. T. A. Morgan and Mrs. Foster chaperoned the merry crowd, which included Velma, Frances, Loren and Dwight Pierce, Roma Staub, Jessie and Kendrick Wilkins, Vera Whittecher, Viola and Vivian Cochran, Vernon and Marvin Foster, Thelma Johnston, Wauneta Mulliken, Mildred and Ralph Morgan and Vivian Nay.

### Maurice Hoffee, Age 20, Taken By Death

Maurice Hoffee of 1428 South Glendale avenue passed away at 2:40 o'clock this morning at the age of 20 years. He was the son of Mrs. Katherine Hoffee and a brother of Mrs. H. K. Beauchamp. The funeral will be in charge of L. G. Scovern Undertaking company, the time to be stated later.

### Mrs. Sarah Kenworthy, Aged 79, Passes On

Mrs. Sarah B. Kenworthy, aged 79, passed away yesterday at the home of her daughter, Mrs. Allie Anderson of 1125 East California avenue. Funeral services will be held in Whittier, where the deceased was a resident until recently.

### F. A. Beach Departs On Kansas City Trip

F. A. Beach of 327 Riverdale Drive left Thursday for Kansas City, where he will attend to various important business matters during the next few weeks.

**GLENDALE PENNANTS ON SALE**  
The Chamber of Commerce is now selling Glendale pennants at cost in order that motorists will place them on their cars and advertise this city.

### Convention Sidelights

Butte district, comprising Yuba, Butte and Sutter counties, is represented by William Bevan, Walter Stran and Gerald Bash. And these three boys are sure boosters for superior California, even if it is very sparsely settled.

Three dozen delegates are in the Oakland gang which came in this morning singing their "Oakland 1922" song. They have all of the northerners lined up to return the convention to Oakland next year. Letters from all of the organizations inviting the Christian Endeavor to the City of Acorns would fill a bushel basket.

San Francisco's twenty-five delegates came loaded with yells and songs that ought to rock the auditorium when they let loose that "pep" for which 'Frisco town is known.

Alameda county's delegation took the train by storm and at Mojave its delegation got out to pose for a photo and almost got left behind. That's what one would call deserting a live party.

"Bill" Rainsner of Calistoga has just one thought in mind while attending this convention. That's picking out one of Glendale's most beautiful maidens and taking her home as his wife. His friends say that he has had some advance information on several of this city's fairest daughters.

SACRAMENTO, THE HEART OF CALIFORNIA, IS REPRESENTED BY ELEVEN GIRLS. ALL PRETTY, TOO. THE CAPITAL CITY BELIEVES IN ADVERTISING.

Eudora and Una Pine, two beautiful girls from Grass Valley, arrived on the special train this morning to represent Placer county at the state convention of Christian Endeavor. They live up where the peaches bloom, you bet.

To Ora Larsen of Eureka county belongs the honor of making the longest trip to the Christian Endeavor convention. After arriving in Glendale this morning on the northern special, Miss Larsen, who is president of the Humboldt county union, stated that it was a full two-day trip to the convention and that she had covered more than 750 miles. Rev. William Ogg, pastor-counselor of the Humboldt union, will also be present at the convention, but inasmuch as he already was in the central part of the state he escaped the long journey taken by Miss Larsen.

BENNIE FREEBURG AND ROY SHAW MOTORED TO THE CONVENTION FROM SANTA CRUZ. "WE'LL SAY IT WAS HOT COMING THROUGH THE SAN JOAQUIN VALLEY," THEY CHORUSED WHILE DROWNING THEMSELVES IN SOFT DRINKS THIS NOON.

Three Oakland delegates, Elaine Craven, Georgia Gilbert and Dorothy Marvin, who arrived on the northern special, were taken in charge by Miss Doris Ingledue of Glendale, who is a member of the entertainment committee.

### Greeters Meet Train At Saugus; Lucky It Was One Hour Late

Horrors! A catastrophe was narrowly averted in Glendale's plans for handling the Christian Endeavor convention today. The special committee of Chamber of Commerce greeters that went to Saugus this morning to meet delegates on the northern special escaped missing it by an eyelash. Instead of leaving at 6 a. m., as planned, it was after 7 when the party finally left the Glendale headquarters.

Some of the party declare A. L. Baird was late in arriving and thus delayed the trip. This Mr. Baird indignantly denies.

Others assert that it was Spencer Robinson who reposed too long in the arms of Morpheus. Mr. Robinson refuses to be interviewed upon the subject.

Mrs. Helen McBryde states she unnecessarily lost an hour's sleep and is seriously thinking of having her husband, Attorney James McBryde, take legal action against the delinquents.

As the balance of Glendale was peacefully resting at this hour the affair threatens to remain a dark mystery. At any rate, due principally to the fact that the special was an hour late, and to leniency on the part of the "speed cops," the greeters arrived on time.

### B. IRVIN VALENTINE, PRESIDENT OF STATE CHRISTIAN ENDEAVOR, THANKS CITY FOR ITS LOYALTY

By B. IRVIN VALENTINE  
President of State Christian Endeavor

To the Citizens of Glendale—On the eve of this, our thirty-fourth annual convention, I want to thank you one and all for the splendid spirit of loyalty you have shown in preparing for this convention.

Six months ago the Glendale convention committee took up the task of preparing for this convention. Other cities before this had had a year. Your city was smaller than any that had hitherto undertaken such a huge task, but you have rallied to the assistance of your splendid committee and I am confident that this convention will go down into history as having been the most notable in the annals of Christian Endeavor in the state of California.

Every step of the way has been characterized by wonderful achievements on the part of the local committee. The whole state is looking toward Glendale for a wonderful convention. Personally I have enjoyed every moment of these days of preparation. It has been a pleasure to tell the Endeavorers of the state of the great reception that they are to have here in Glendale. I have come to believe so thoroughly in Glendale and the spirit of her citizens, that I am not surprised at anything.

In behalf of the Endeavorers of the state I want to thank you for the splendid co-operation which is making this convention a success. I want also to ask you all to feel free to attend any of the sessions of the convention. Come out and mingle with the very cream of young people of the state of California and judge Christian Endeavor by them.

We are here in your midst for four days. We are sure that we are going to enjoy every moment of the time. We want you to do the same.

### DWIGHT W. STEPHENSON GIVES WELCOME ON BEHALF OF CITY

By DWIGHT W. STEPHENSON  
President of the Board of City Trustees

In behalf of the citizens of Glendale I hereby extend to the visiting delegates of the California Christian Endeavor, and their friends, a hearty welcome to our community. This is an auspicious day in the history of our city. It is with pride and gratification that we acknowledge the honor bestowed upon us in being given the opportunity of acting as hosts to a convention of the largest organization of young people in the world today. As president of the Board of Trustees of Glendale I offer you the key of our city. It is the earnest wish and desire of Glendale that you enjoy to the fullest extent the hospitality which is offered to you. Glendale sincerely hopes that you will take as great pleasure in your visit as she does in welcoming you.

As a city of homes; as a city that believes that the spiritual development should go forward hand in hand with its material prosperity; as a city that has always stood for the highest and best in life, Glendale not only offers her congratulations for your splendid triumphs of the past, but her best wishes for your continued success and achievement.

A telegraphic report was received by the Glendale Evening News at noon today to the effect that two members of the local National Guard company have qualified in the tryouts for the state rifle team being held at Leona Heights, Oakland.

Those who have already made the team, which is to be composed of five men, are W. R. Jackson and W. Miller. Three other Glendale representatives remain in the running, and it is possible that they may also place in the tryouts.

Regarding the summer camp at Yosemite, Lieut. N. C. Hayhurst of 341 Oak street has announced that several more members of the company are wanted to make the trip north on July 1, to make preparations for the big encampment. Transportation, board and \$3 a day will be given those going to this encampment.

**MISS MARY G. HAMILTON WEDS**  
Lloyd Alexander Johnson of Ceres, Calif., and Miss Mary Gertrude Hamilton of Pennsylvania, were joined in wedlock at the parish house of the Lutheran church this week. Rev. H. C. Funk officiating.

### Mrs. L. A. Heacock, Aged 81, Passes On At Family Home Here

Pauline Wilhelmina Heacock, wife of L. A. Heacock of 709 East Windsor road, passed away at her home, June 24, at the age of 81 years, having been born in Ohio in 1840. She has been a resident of Glendale for six years.

Mrs. Heacock is survived by her husband, three sons and one daughter, Prof. B. A. Heacock of Glendale, D. D. Heacock of Attica, Kan., J. E. Heacock of Lakewood, Ohio, and Mrs. Philip Vernier of Louisville, Ohio. She also leaves two brothers, Dr. J. A. Munk and Judge E. R. Munk, both of Los Angeles.

Funeral services will be held at the parlors of the Jewel City Undertaking company Sunday afternoon at 1:30 o'clock. Mr. Heacock and son will accompany the body to Attica, Kan., where interment will be held.

**HILLIER & OSGOODBY HERE**  
Hillier & Osgoodby of Pasadena, who have opened offices at 221 North Brand boulevard for stone and cement contracting, again may be found there after a week's work in Pasadena where they are doing a great deal of this kind of work.

### CARAVAN OF AUTOS MEETS TRAINLOAD OF DELEGATES

**Large Party Arrives This Morning From Northern Section Of State**

With approximately 5000 visitors present as delegates to the thirty-fourth annual California Christian Endeavor union, which officially opens this afternoon with prayer at the Christian church, Glendale stepped forward today into the ranks of California convention cities.

With flags and banners waving, the stores and buildings brilliantly decorated, and with many prominent citizens present as a greeting committee, Glendale presented a compactly welded unit of enthusiastic welcome.

More than fifty autos, donated for the occasion by public spirited citizens of Glendale, were present to meet the big C. E. special from the north at the Southern Pacific station. Of course the train was an hour late—who ever knew a convention train yet to be on time—but at 10:45 it finally pulled in with a capacity crowd of hungry young delegates. After being escorted to the registration headquarters, opposite the auditorium, they were taken in hand by the registration clerks and assigned to their places of entertainment.

However, before they were taken to their various quarters by the pages and guides, the delegates adjourned in a body to the three special cafeterias, where the commissary committee, under the competent guidance of Mrs. H. W. Yarik, had provided an appetizing lunch.

**Arriving by Machines**  
Besides the big special train, delegates arrived hourly in machines from throughout the state until the streets of Glendale took on an air of unwonted activity and bustle.

Among those to arrive on the northern special was Miss Hancie Naylor of San Jose, Quiet Hour superintendent of the state union, who opens the convention this afternoon with a prayer for its success at the Christian church.

The annual meeting of the state executive committee will take place this afternoon at 4 o'clock at the First Baptist church, Wilson avenue and Louise street. All state officers, superintendents and county presidents will be present.

### B. P. Martin, Sanger Citizen, Brings Car Full Of Delegates

Among the early arrivals to the Christian Endeavor convention is B. P. Martin of Sanger, who arrived late yesterday afternoon by machine. With him were Miss Dorothy Nelson, Sanger; Ida Nickels and Ethel Harbour, Fresno, and Alice Rinehart of Hanford. Mr. Martin reports that two other machine loads also left from Fresno; one containing Parker Van Meeter, president of the Fresno-Madera Union, together with Alice Elder, secretary, and party. Three machines from Reedley are also reported to be on the way.

Mr. Martin declares that the weather here is a welcome relief after the intense heat of the San Joaquin valley.

"You don't have to work very hard to keep warm," was his terse description of the weather around Fresno.

### Glendale Folk Motor On Trip To La Habra

Mr. and Mrs. J. D. Camerer of 311 West Garfield avenue and Mr. and Mrs. H. Augustus of 203 West Los Feliz Road motored to La Habra Thursday and were the guests of Mr. and Mrs. Joe Rawson of that city. A charming picnic party was enjoyed at Orange County park. Dr. and Mrs. Camerer returned yesterday morning, while Mr. and Mrs. Augustus remained over.

**TRAFFIC COP ON JOB**  
Patrolman R. L. McClain, who is directing traffic today at the corner of Broadway and Brand boulevard, is giving the center of the city a metropolitan effect in trying to balance himself on one of the round-topped traffic buttons.

## Vice-Pres. Coolidge

says: "There are certain obliga-  
tions which every man owes. He  
owes it to his family that they  
shall not be left dependent upon  
charity; to his business associates  
not to allow the business to col-  
lapse by reason of his loss; to his  
country, that the government shall  
not be deprived of its supporting  
taxes through shrinkage of his es-  
tate. There is one way in which all  
men can fulfill each of these  
duties. That is by life insurance.  
It would seem there is no greater  
blessing to prepare us against the  
future than life insurance. I be-  
lieve in it sincerely and feel that  
no man can afford to fail to take  
advantage of its time-proven  
benefits.

## 'Four Horsemen' To Be Presented Sunday

Tomorrow marks the opening of  
what promises to be one of the great-  
est theatrical treats ever offered in  
Glendale—"The Four Horsemen of  
the Apocalypse," which will be  
shown Sunday, Monday and Tuesday  
at the Palace Grand Theatre.

This mammoth spectacle, which is  
a picturization of the novel by the  
great Spanish author, Vicente Blasco  
Ibanez, boasts a cast of more than  
13,000 people, and cost more than  
\$1,000,000 to produce. The story  
is too well known to be discussed  
here, but suffice it is to say that it  
has made a motion picture with a  
soul—a cinema creation that will  
live forever, a boon to the welfare of  
humanity that contains a message  
for the masses and the classes, with-  
out being classed as a preachment.  
Eastern critics were lavish in their  
praise of "The Four Horsemen,"  
which was directed by Rex Ingram  
and adapted by June Mathis.

## Statement Is Issued By Five Candidates

Considerable discussion has arisen  
lately over the attitude of the pros-  
pective candidates for the city coun-  
cil on future blue law legislation in  
Glendale. In an interview with Mrs.  
Bartlett, a member of the present  
board of city trustees, she feels that  
the situation has been greatly clar-  
ified and the fears of many good peo-  
ple laid by the recent signed state-  
ment by the candidates of the Glen-  
dale Municipal league. The state-  
ment follows:

### Statement

"We, the undersigned, individually  
and collectively, do positively affirm  
that we are not connected with any  
so-called "blue law" movement and  
have no knowledge of any attempt  
to enact such laws in Glendale. We  
believe that every man has the right  
to worship God when and how he  
pleases.

"We are pledged to no person,  
group of persons, or selfish interest,  
whatever.

"Our only aim is a clean, econo-  
mical, business administration of city  
affairs, serving the will of the peo-  
ple, and with our hands absolutely  
free to do so. The will of the ma-  
jority of citizens so far as it can be  
made known should prevail.

"ANN P. BARTLETT,  
"WILLIAM B. KIRK,  
"CHARLES H. MUHLEMAN,  
"HOWARD W. WALKER,  
"HENRY W. YARICK."

## A. W. Van Loons Hold Housewarming Party

Mr. and Mrs. A. W. Van Loon  
gave a "house-warming" in their  
new home at 125 North Adams street  
last night, it being the birthday of  
Mr. Van Loon, and near the time of  
the birthday anniversary of his sis-  
ter, Mrs. J. A. Ehlers. There were  
about twenty-two guests present,  
most of whom were relatives, from  
Huntington Park, Los Angeles, Pasa-  
dena and San Diego. A unique cafe-  
teria supper was served at 6:30.  
Mr. Van Loon is known to have a  
"sweet tooth," and was remembered  
by the guests with many gifts, among  
which were nine pounds of chocolate  
creams. The Persian gray interior  
finish of the new house was greatly  
admired by the friends of Mr. and  
Mrs. Van Loon.

## Mr. and Mrs. D. Hanna Lease J. Joseph Home

The beautiful eleven-room home  
of Mr. and Mrs. Jesse Joseph at 201  
West Lexington Drive has been leased  
for a year, unfurnished, to Mr.  
and Mrs. D. J. Hanna, who for the  
past year has been residing in Mon-  
rovia. Mr. Hanna at one time was  
lieutenant-governor of Kansas. He  
has more recently been engaged in  
the real estate brokerage business.  
Mr. and Mrs. Joseph intend to  
spend the year traveling around the

## If Machines Wear Out--- What of Mothers?

If machines wear out—what of mothers? Machines  
can be replaced—mothers, never.

Why not let our washing machines do your family  
washing and save mother's strength for more im-  
portant things?

We can obtain new laundry equipment when ours  
wears out—but you can't fill mother's place in the  
home. Save her by having us take the washing off  
her shoulders.

By gently sousing clothes up and down in warm  
water, soft as new-fallen rain, with suds of mild  
white soap we wash your apparel spotlessly clean  
and preserve the fabrics.

Sunday Services at  
the Churches

The pulpits of the cooperating  
churches will be filled by visiting  
clergymen and laymen on Sunday  
morning at the 11 o'clock service.  
The complete assignment has not  
been made at the time of going to  
press, but will be given in full at the  
service at the tabernacle tonight. It  
is expected that every church will be  
filled to the doors, and if necessary  
an overflow meeting will be held at  
the tabernacle. All are urged to at-  
tend their own church, as far as  
possible, and to take their guests  
with them. After the churches are  
filled, there will be room at the tab-  
ernacle.

CANDIDATE FOR  
CITY COUNCIL

I AM unpledged to any faction,  
LEAGUE or organization,  
pledged to uphold Glendale  
in the interests of her peo-  
ple at all times.

I BELIEVE in constructive improve-  
ments. Glendale must and  
will go ahead.  
In a clean city, a city of high  
moral and ethical standards,  
where we will be proud to  
have our homes and raise  
our children.  
In a clean, business-like ad-

## IT'S HERE

The Gardner Light Four, Russel E. Gardner's greatest triumph, is now here—the crowning success of over thirty-three years' successful experience in manufacturing vehicles—it has quality, style, plus a low price.

The sensation of 1921, this car is the center of attraction wherever shown and is in surprising demand—it has proved its qualities in the hands of thousands of enthusiastic and satisfied owners—they praise its performance, profit by its economy and are proud of their ownership.

We pride ourselves that our efforts to secure the franchise for the Gardner Light Four have been successful—it affords us the opportunity of selling a better car at a lower price—we invite your personal inspection of this remarkable car—ride in it or drive it—call us up for a demonstration.

## OUTLINES HOW AUTO ACCIDENTS MAY BE DECREASED

Ford Branch Manager Gives Number Of Good Hints To Drivers In Southland

"More accidents than ever before is the toll of the first six months of 1921," according to B. L. Grauls, manager of the Los Angeles branch of the Ford Motor company.

"How can these accidents be eliminated or cut to a minimum?"

"Correct signaling, slower driving and less recklessness is the answer.

"Let us take correct signaling as a concrete example and for once and for all straighten the matter of signaling in every one's mind.

"Women seem to be the ones who are causing the greatest number of accidents in this class and next comes the experienced driver who has become careless or forgetful.

"Arm parallel from right side of car, means turning to the right. Arm parallel from left side of car, means turning to the left.

"Arm tilted to a slight degree and pointed upward from the right side of the car, designates turning to the left. Arm tilted to a slight degree and pointing upward from the left side of car, designates turning to the right.

"Arm pointed down from either side, means slow up and be prepared to stop instantly.

### Incorrect Signaling

"The accidents which occur from incorrect signaling are for the most part smashed fenders, running boards, bent-in radiators and broken in gasoline tanks.

"Watch your speedometer and have it tested at regular intervals. Be careful about keeping within the speed limit when in down town shopping districts. Don't drive through residential sections as you would in the open country even though paved roads may be a temptation. Serious accidents to pedestrians are the result from this class of accidents.

"Reckless driving, it seems, can only be cured through painful experience, but if these few people who do take chances would visit the receiving hospital any day, their ambition to drive recklessly would surely be cured. Accidents caused by reckless driving—well, you read of them every day in the papers. You condemn the reckless driver, but have you a note in your own eye?"

"Motorists, let's all pull together on this question of safety and see if we can't cut down the death and collision rate during the last six months of 1921."

### PLAN "VICTORY HIGHWAY"

In recognition of the achievements of the heroes of the world war, a new coast-to-coast paved highway, known as the "Victory Highway," has been launched in Topeka, Kansas.

## SERVICE --- WITHOUT SHAMMING

UNFORTUNATELY, in most business, so-called "service" is largely a sham. From the half-hearted whisk-brooming of the Pullman porter to the final "inspection" of the automobile tester, service seems to be more a matter of appearance than helpfulness.

We cannot offer you that kind of Service, but we do offer the kind you'll tell your friends about.

And it isn't the result of luck or coincidence. We've planned and studied to be helpful, rather than to appear helpful.

YOU will put up with any kind of Service in a pinch—but you are going to be a permanent customer of the man who gives you the greatest satisfaction all the time.

## Use Your Horn! Is Urged On Auto Drivers

Mr. Motorist, are you planning to tour into the mountains or any of California's national parks this summer?

Serious accidents have already resulted from the unprecedented scurrying into the vacation places of the west, and officials of the Automobile Club of Southern California have been moved, as a result, to issue a drastic warning at this time.

"Use your horn!"

This is the first and most important precept for mountain driving this summer, says the club, according to forest reserve officers the use of the horn by motorists has become practically obsolete. They seem to have forgotten what the horn is for. Many accidents would be avoided if the motorist would toot when he is rounding curves on steep grades, says the club.

Do not think it is smart to avoid sounding your horn.

Don't attempt to shift gears on steep grades, is a second warning. Too many women and unskilled drivers attempt to do this with fatal results. Do your shifting before you get into the steep part of the grade.

Don't stop to admire the scenery or pick violets where the road is steep and narrow. There is a state law against stopping on a narrow road so as to block passage. Cars are often pushed over the bank in this way.

Mountain driving is not easy for the person who is new at the wheel of a motor car, points out the club report, it is particularly difficult for women drivers. Become well versed in the handling of a car before you get into mountain territory and you will have no trouble.

Remember, that there are steep grades leading into the beautiful Sequoia Park, no bad grades into General Grant, and some steep grades into the gorgeous Huntington Lake district.

## THE UNIVERSAL CAR

## Shortage Throughout Entire Country on All Ford Models

Despite the fact that the Ford Motor Company is producing cars at the rate of over 4000 a day, conditions have so improved in all parts of the country that dealers in all sections are clamoring for more cars. With a production of 4000 cars a day, this demand cannot be met.

No doubt the recent price reduction had a great deal to do with the tremendous increase in number of orders. Ford models now cost no more than they did in 1915—pre-war prices.

Orders are now being filled in their turn. We sincerely advise prospective purchasers to place their's at the first opportunity if they want early delivery.

'DEAR KATIE' LEARNS  
THIS CITY HAS NO  
'FOREIGNERS'

All 100 Per Cent American  
and First Class Folks,  
E. C. Hale Discovers

Glendale, June 24, 1921.

Dear Katie: From the way I have lectured to you about the way people have come to Glendale to live for the last ten years, I suppose you are thinkin as how this town must just actually be the melting pot of the universe. Maybe you think that half the citizens here are foreigners. Of course, it is nothing more than the truth that our population is made up of people that was born east of the Golden State.

In fact every state in the land of the home brew, outside of California, has decreased in population at a alarming rate since Glendale was discovered, on account of the people leavin the horrid north and the torrid south to come here to live. Well, Katie, here is what I'm gettin at.

## How It All Started

Today I was passin the time of day with a real estate guy on Broadway and while we was talkin he made a remark as how Glendale was made up of 100 per cent Americans and nothin else.

Well, I kinda laughed at what he had said and I decided to write a article just to show that guy as how there was a lot of foreigners here in this town, not countin any that come from Kokomo or New Jersey, either.

So I started out to get some facts on the case.

I didn't go far before I met a man with a complexion like a chocolate cake. He had on a plush suit with gold braid which made him look like the jewelry counter at Woolworths.

On his head was a straw hat as big as a beach umbrella. Well, I thought to myself, if that guy is a 100 per cent American I'm a Apache Indian. I went right up to him and I says it's a nice day and then I asked him was he a real American. He was quite polite and smiled real charmingly and then answers something that sounded like je amour des grand unity stats via ye beaute Glendale. Or words to that effect. Anyway I just took his word for it Katie, cause it's no use tryin to beat a ignorant person in a argument.

## He Searches Everywhere

Well, then, for two hours I hiked around town, but Katie, it seemed all to once as how foreigners in Glendale was as scarce as a day's rest for your truly. I went into a Irish line store, a Turkish bath room, a French dry cleaners, a Spanish restaurant and a couple of Jap gardens and everybody swore with one hand on the telephone book and in just that many languages as how they was, one and all, 100 per cent Americans.

So I begun to get disgusted and I was on my way home again when I spied a lone Chinaman coming down Brand drivin a laundry wagon. The way I yelled at him was a caution. I figured as how he was exhibit A for my article. I decided as how if he wasn't a foreigner, I must be a lion tamer stead of a strivin reporter. Well, he stopped that antique horse of his and I went up to him and usin a little reverse english I says to him, "John, you alla time Melican?" He just grinned blandly Katie, and he says: "No, me no Melican. Me fulla blood Chinaman." Katie, I was tickled pink. At last I had found one foreigner in Glendale that was honest.

Well, I wrote his name and address down in my note book and then I come home. After thinkin it over I decided not to write a article about the foreign element in Glendale, cause I agree with that real estate guy—that there ain't no such animal.

One hundred per cent yours,

E. C. HALE.

P. S.—Say, Katie, that bloomin almond-eyed, shirt mangler of a Chinaman told me he lived in Hollywood. Ain't that the limit.

E. C. H.

Production Figures  
Needed, States Hoover

Automobile production figures are an essential element in the economic picture of the country, according to Herbert Hoover, secretary of commerce, speaking in council with delegates from the motorcar and truck industry.

Business can be stabilized, the secretary believes, by having full knowledge of basic economic figures, such as raw material output, passenger and freight travel on railroads and motor transport.

The automobile delegates stated that they would take immediate steps to meet the secretary's request, and would refer back to their membership the best method of supplying figures, both concerning the frequency with which they should be issued and the classification. Automobile figures are now published on an annual basis.

Boy charged with breaking into school house. Of course this didn't happen in the day time.

Golf Courses Shown  
On Auto Club Map

What is considered to be the greatest motoring map ever compiled in its line has just been issued by the Automobile Club of Southern California.

This map has been issued for the use of motorists who enjoy golfing and for golfists who enjoy motoring. It shows thirty-two golf courses located in the counties of Southern California from San Diego to Santa Barbara.

The map was prepared by the club at the request of the Southern California Golf association and 4000 copies will be used in the United States Golf Manual, which is the official publication of the United States Golf association, and will thus be available for golf enthusiasts all over America.

In one corner of the map is a special chart showing the shortest and best route connecting each of the thirty-two golf courses with the other. This chart also shows the condition of the roads between the various courses.

Nowhere else in the world can be found such a large number of golf clubs connected by a net work of paved roads.

The greatest distance separating any two of the Southern California golf courses is 246 miles, this being between La Cumbre golf club at Santa Barbara and the San Diego Country club at Chula Vista. Even this entire route is paved.

These maps will soon be available for all golfing motorists through the various offices of the automobile club.

Praises Chicago Girl  
As Best Face Artist

CHICAGO—Chicago girls paint their faces more correctly than the lassies of other sections. Take this on the authority of two globe-trotters, who are circling the earth.

They are Mrs. M. E. Fraser and her daughter, Christian Leask, of London.

"The young women here are not masked with paint and powder nearly so much as the girls of the west," said Mrs. Fraser. "Chicago girls are well dressed and simply dressed, and do not appear to use rouge to an obnoxious degree."

The two globe-trotters left England in 1919 and have been traveling east ever since.

## JOE NIKRENT AGAIN IN RACING GAME, DRIVING BUICK

Smiling Pilot Is Entered In  
Nevada Contest; Testing  
Car Over Big Course

Every star seems to emulate the immortal Patti. The latest prominent sporting celebrity to pull a "Patti Farewell" return is the genial and smiling Joe Nikrent, one of the most famous racing pilots that ever sat behind the wheel of a racing chariot. But Joe has a good alibi for his "comeback." When Nikrent announced his retirement from the racing game, he made the stipulation that if there was a renewal of the Phoenix road race, or a similar race which called for desert driving, he would be among the starters.

And Joe is making good. Furthermore not only is Nikrent doing a come back personally, but he is doing it in a car with which he has made racing history. Nikrent has officially entered his Buick car in the Nevada desert road race, which calls for 1000 miles of desert road of the toughest variety.

**Testing Car Over Course**  
For the last week Nikrent has been testing out his Buick over the Nevada course, which runs from Reno to Wadsworth, Fallon, Lovelock, Winnemucca, Battle Mountain, Elko, Wells, Currie, Cherry Creek, Elk, Tonopah, Minden, Yerington, Wellington, Gardnerville and thence to Reno. The race is scheduled for June 29, 30, July 1.

Such a veteran as Nikrent does not hesitate in stating that the 1000 miles, which must be traversed in three days will test the sturdiness of the automobile and the stamina and driving ability of the driver. He says there are all sorts of roads excepting highways, with sand, deep ruts caused by washouts from the water rushing down the hillsides of the mountains to overcome.

Nikrent is confident of piloting his Buick car in ahead of all other competitors. With ordinary racing luck Joe figures upon again proving the superiority of the Buick in a race where power, dependability and sturdiness will cut such a big factor as in the coming Nevada race. Fred Nikrent, Joe's brother, will be his mechanic.

## Great Motoring Rush To South Predicted

In a statement just issued by the newly elected president of the Automobile Club of Southern California, W. L. Valentine of Los Angeles, is included a message which shows that this organization within the last year has attained a national peak of service in America.

Auto owners of Southern California have combined, it is pointed out, to make motoring supreme as an outdoor pastime in this corner of the country. That it is the motorists themselves who have accomplished this is clearly shown in Mr. Valentine's statement.

Preparations have just been completed by the auto club for handling what is believed will be the greatest motoring rush ever before seen in the southern counties during any summer, which is looked forward to for July, August and September.

It is also pointed out by the new president that the auto club has erected and is maintaining more than 70,000 enamel-metal sign posts on the roads of this state, and on trans-continental highways leading into Southern California from eastern states.

Good news is also contained in the announcement that this system is to be materially increased during the next twelve months. Renovation work is now going on in every Southern county of California.

Service departments of the organization which are to increase their scope of endeavor are the theft bureau, which has instituted a shotgun campaign against auto thieves; the touring bureau which maintains branches in each county; the legal department which protects the interest of all auto owners in the state; the drafting department which prepares maps and all other service departments of the club.

Testimonies received from eastern visitors who have enjoyed the hospitality of Southern California auto owners, through their club organization, indicates that its work is receiving nation-wide attention and gratitude and this word is transmitted to the thousands who are supporting its effort in the new president's recent bulletin.

## FIRST THING TO DO

Many cases of tire trouble are due simply to the fact that the tube has not been properly inserted. The first thing to do when putting in a tube is to give the bridge nut at the base of the valve stem above the metal plate a tightening twist with a pair of pliers. When the tube is inside the casing jar the tire a few times to seat firmly. After the tire is mounted and fully inflated, fasten securely the rim nut, which works around the valve stem above the rim. Care in fitting the tube will save many a pinch and flat later on.

## DR. H. R. HARROWER SAYS IT'S 'SUNDAY LEGISLATION'

Writes On Term 'Blue Law'  
And About Five Candidates  
Who Signed Statement

Editor The Evening News: I shall  
be very grateful if you will publish  
this letter in your correspondence de-  
partment at your earliest possible  
convenience.

I notice in The Glendale Evening  
News for June 24 a statement signed  
by the five candidates who refused to  
make their position clear on Sun-  
day legislation at the beginning of  
this fight now stating in a somewhat  
indefinite way that they are not con-  
nected with any so-called blue law  
movement. Unfortunately, some of  
the ministers and others in town  
seem to be hiding under a matter of  
terminology. Let us get away  
from the term "blue law" and call  
it plain "Sunday Legislation." There  
is no doubt at all from the published  
statements of several ministers that  
there is an attempt to enact laws in  
this country, including Glendale, fa-  
vorable to the establishment by or-  
dinance of the attitude of these min-  
isters. These candidates say, "We  
believe that every man has a right  
to worship God when and how he  
pleases." They do not add that no  
one has a right to interfere with this  
right and that we agree with this.  
Had they done so the statement  
would have been worth something.

**Refused to Sign Statement**  
These individuals go further and  
say, "We are pledged to no persons,  
group of persons, or selfish interest  
whatever," but they failed to add  
that they refused to sign a statement  
indicating that they would follow  
strictly both the letter and the spirit  
of the United States Constitution and  
they would not commit themselves  
at all on this Sunday matter weeks  
ago.

The same individuals state still  
further, "The will of the majority  
of citizens, so far as it can be made  
known, should prevail." This is not  
correct. It is not American—it is  
not fair. If the majority of the citi-  
zens of Glendale wanted to establish  
religious legislation by ordinance it  
would not be any more right than  
though only a few wanted to do it.  
The Bible says: "Enter ye in at the  
straight gate; for wide is the gate  
and broad is the way that leadeth to  
destruction, and many there be which  
go in thereat; because straight is the  
gate, and narrow is the way which  
leadeth unto life and few there be  
that find it." The majority have  
no right to rule in religious matters  
regarding the consciences of men.  
That was the cause of all the troubles  
of a religious character in years gone  
by.

The above statements were made  
to "the fair-minded voters of Glen-  
dale." Any "fair-minded" person  
will admit that whether the issue of  
religious legislation is as prominent  
as some claim it to be here and now  
or not, it is a prominent thing and  
it concerns us not merely as citizens  
of Glendale, but as citizens of the  
United States.

HENRY R. HARROWER,  
702 East Broadway, Glendale.

The Iowa town which had to hold  
a mass meeting to prove its loyalty  
demonstrated another thing, that it  
is beset with scandal mongers and  
defamation artists.

by P. A. Black, of Autoelectric Ser-  
vice company, 113 West Howard.

"In spite of all that has been  
written regarding the proper care  
and attention of storage batteries,  
there is an appalling number of these  
useful little 'power boxes' ruined  
every year purely from neglect.

"However, as long as human na-  
ture remains as it is, it is going to  
be a difficult task to persuade auto-  
mobileists to give their battery the  
proper amount of attention. They  
won't give it to their own bodies.  
Doctors will bear out the statement  
that everyone should submit to a  
thorough physical examination peri-  
odically in order that, if any seri-  
ous symptoms are present, they  
may be detected and checked in their  
incipient stages. Most of us know  
this, but we neglect going to the doc-  
tor until we are acutely conscious of  
the fact that we need his service.

**"Keep Hammering Away"**  
"How then, can we—negligent be-  
ings that we are—be expected to give  
proper attention to a little inanimate  
part of our automobiles that seem to  
give satisfaction, at least to a cer-  
tain degree, whether we take care  
of it or not.

"Obviously, the only thing we can  
do is to keep hammering away at the  
battery user, bombarding him with  
facts about his battery until he be-  
gins to realize how much he can save  
by heeding the suggestions offered  
him.

"Probably no battery was ever in-  
stalled without attention being  
called to the fact that it needed dis-  
tilled water—at least once a week  
in warm weather and every two  
weeks in cold weather. And yet,  
in spite of this, many batteries go  
for weeks at a time without the  
slightest bit of water.

**At Expense of Its Life**  
"It's true, the battery will light  
your head and tail lights, it will  
even spin your motor, but it's doing  
these things at the expense of your  
battery's life. For the water, having  
evaporated from the electrolyte, has  
left practically nothing but acid, in  
which the lower half of your plates  
are submerged.

"This acid is eating constantly at  
the active material in your plates,  
and in comparatively a short time,  
the lower half of your plates is all  
stripped to the grid. No amount of  
good treatment thereafter can re-  
medy this trouble—nothing but new  
plates.

"If motorists can only be im-  
pressed with the savings that can be  
effected through the use of a little  
care, they will find that their bat-  
teries will give them far better serv-  
ice than they have learned to ex-  
pect."

## Vaudeville Program At Glendale Tonight

The Glendale Theatre is offering  
a great double program tonight con-  
sisting of a Meiklejohn and Dunn  
vaudeville road show and the feature  
picture "What's Your Reputation  
Worth" at no raise in the admission  
price.

Headlining the vaudeville program  
is the celebrated Metropolitan Quar-  
tette, consisting of four beautiful  
girls. This organization has just  
completed an extended engagement  
of sixteen weeks at Grauman's Mil-  
lion Dollar Theatre in Los Angeles.

The Spanish Troubadours, direct  
from the famous Mission Play at San  
Gabriel are also on the program and  
will offer native songs and dances.  
Prince and Brown, blackface fun-  
sters, and Dan O'Neil, "tramp come-  
dian," complete the vaudeville offer-  
ing.

This program is by far the most  
pretentious ever offered local thea-  
tregoers at popular prices.

One of the most unique and pleas-  
ing photo dramas to be shown at  
Glendale Theatre was witnessed last  
evening when Corinne Griffith, the  
best dressed woman of the screen,  
was shown in "What's Your Repu-  
tation Worth?" The story is one  
of contrasts and keeps the spectator  
in suspense from the first flash until  
the final close-out. It is a produc-  
tion that requires many extra players  
and a large number of massive sets.

This same feature film will be  
seen again today in conjunction with  
a current news and travel scenic reel  
and the laugh-making Century com-  
edy, "Tough Luck." The Palace  
of Darkened Windows" is Sunday's  
feature.

## You Can't Buy a Packard for the Price of a Ford

Neither can you buy meat from choice young steers for the same price as you can that from old cows, etc.

The Glendale Market enjoys one of the largest meat patronages in Glendale for the reason we are extremely careful in selecting meats. Our buyer personally visits the packing houses and chooses only the choicest quarters—for which we pay a little more and charge a trifle more. The difference in what we charge, however, for the best meats, and what some charge for inferior grades is so small as to be scarcely noticeable.

People who enjoy eating tender, luscious steaks and other cuts, appreciate the quality of meat we sell, and are our regular patrons.

You, too, would be pleased with our meats and service, if you would but give us a trial.

## 'DEAR KATIE' TIPPED OFF TO NUMEROUS C. E. DETAILS

Rafters Of Auditorium Ready  
To Ring; Big Ice Box Is  
'Open To Suspicion'

GLENDAL, June 25, 1921.  
Dear Katie: The way visitors by the hundreds has been pourin into this town today, you'd think as how that there Dempsey-Carpentier love feast was going to be pulled off in Glendale instead of New Jersey. But, it's nothin like that, Katie. The truth of the matter is, that the Christian Endeavor convention started to begin today and for the next few days I got to see everything that's going on so as I can write artikles about 'em for The Glendale Evening News, cause if I didn't, nobody would get the facts of the matter. I've got to have a lot of interviews with the delegates including the fair sex in particular and I got to act like a official's guide and help the visitors hunt for the post-office.

The work and worry that I got on my mind would make that lazy, one-armed, paper hanger look like he had broke his other arm and was out of a job.

### Lucky to Last Till Last

This here convention is going to last for five days, but the way I'm hustlin, I'll be lucky if I last till Monday mornin.

It's goin to be the biggest thing outside of Patty Arbuckle that ever come to Glendale and the C. E. convention is going to put Glendale on the map and that's something that the So. Pac. R. R. never did.

There has been 80,000 bills put inside of street cars and 100 signs on the outside and if there's anybody as don't know as how there's a C. E. convention in Glendale, it's cause their deaf, dumb and blind.

Today a special train on the So. Pac. got in ON TIME, but no reason was given for it and I guess nobody was hurt. This special train brung big crowds from Oakland, San Francisco and points north.

There's going to be 4000 or 5000 visitors in Glendale when they all get here and now is the time for all good people to come to the aid of the convention. And the kind hearted citizens of Glendale, Katie, is goin to see that all the visitors get a bed to sleep in and for those that come late—well, there's always lots of room up in front as the conductor says.

So, in some houses, maybe, the piano is going to crowd the bird cage a little or, maybe, pa's den is going to be decorated with kimonos and carpet slippers for a few days, but anyway—who has more fun that we do? Ain't it so, Katie?

Well, yesterday I went over to the big auditorium and, Katie, the front end of the place looks like the battlements of the fort at Tia Juana. Inside I met Mr. Howard L. Brown, and while he is the chairman of the committee he don't get no chance to set down and outside of myself he's the busiest man in Glendale.

Mr. Brown showed me all around the interior on the inside of that there auditorium.

### Rafters Ready to Ring

He told me as how the place would seat 4000 people not countin the private chairs reserved for the reporters of The Glendale Evening News.

The rafters of the building are all bandaged up with flags and banners and over the stage is a beautiful electric sign in colored lights.

Mr. Brown was awful obligin and explained everything to me—till we come to a big ice box. Katie, that box looked kinda open to my suspicions. So I says to Mr. Brown, what's this box for?

Well, he just laughs a little and he says: Oh, that to put ice in. Yes, I says, but what goes on the ice?

And, Katie, he made believe as how he didn't hear me, cause he ducked out the door and that's the last I seen of him.

Well, Katie, I got to quit now and get some supper, cause, like a lot of our visitors, I'm so hungry I don't know where I'm going to sleep to-night.

Yours till the press breaks down,  
E. C. HALE.

## Parking Space Given By Monarch Company

An offer of the vacant lot at the corner of Brand boulevard and Harvard avenue for the use of additional parking space was made by the Monarch company, owners of this property, was made this morning to the general Christian Endeavor committee. Howard L. Brown, chairman, upon being informed of this offer, expressed his delight at the opportunity of securing this close-in additional space.

## FINANCE CONVENTION WITHOUT HAVING HAT PASSED AMONG PEOPLE

A. L. BAIRD

One of the most important and trying positions in connection with the state convention of the Christian Endeavor is that of chairman of the finance committee—the workers who have to finance the big undertaking. The chairman of the present convention finance committee is A. L. Baird, prominent business man of Glendale, who is manager of the real estate and insurance department of the Roy L. Kent company. He and his aids established a fine record in the financial department of the convention committee—a record that will be hard to beat in the future. Incidentally, the convention was financed without having to "pass the hat" among the business interests of the city, a fact that the committee looks upon with pride.

A biological expedition recently sailed from New York to South America to explore the headwaters of the Amazon and seek Theodore Roosevelt's famous "river of doubt." Special search will be made for rare herbs and plants desired by chemists and the medical profession.

## PROGRAM OF MUSIC IS GIVEN BEFORE LARGE CROWD

About 2500 Persons Present  
At Auditorium To Hear  
Quartet, Orpheus Club

If the manner in which the people of Glendale responded to the announcement of an entertainment to be given to raise funds to defray expenses of the thirty-fourth annual Christian Endeavor convention of the California Union by attending the pre-convention concert given at the Christian Endeavor auditorium at Orange and Harvard streets last night by the Zoellner quartet and the Orpheus club is to be indicative of the reception accorded the convention delegates, they may be assured of one rousing welcome. There were approximately 2500 people in attendance.

The big stage of the tabernacle was banked with tall vases of dahlias in vari-colors, the purple and gold, Christian Endeavor colors, predominating. American flags and bunting were hung from all parts of the auditorium, at the front of which was a large purple and gold electric sign of the Endeavor insignia.

### Expresses Appreciation

Rev. C. A. Cole, on behalf of the Glendale Christian Endeavor convention committee, expressed appreciation for the support given by the people of Glendale by attending the concert in order to help make the convention a success. He stated that numerous inquiries have been made as to whether the general public would be admitted to the convention sessions. Delegates will have the preference as regards seating at the evening sessions up until 7:30 p. m., after that time the general public will be admitted.

## How About Renewing Your Car?

We like that word "renew" better than "overhaul," because it expresses just what we do. It means that when we return the car to you, it will act like a new car—will be, for all practical purposes, a new car.

Such a thorough "renewing" is not an expense, it is a true economy. It will save much more than it costs by eliminating the necessity of frequent repairs, by reducing your consumption of gasoline and oil and by adding to the resale value of your car. Buy a new car this season, if you can afford it; if not, do the next best thing—have us "renew" the old one.

## An expensive economy

Be healthy,  
wealthy  
and wise by  
taking good  
care of your eyes!

No human brain can conceive the complicated character of the organ of sight. Yet time and again it is said: "My eyes bother me a little, but it isn't anything serious." Consider this remark for a moment.

Statistics prove that 70% of us have defective vision. And it is upon good eyesight that mental and physical fitness depends.

Is it economy to neglect the eyes, most important of our senses? It may be economy today, but the result will be impaired health tomorrow.

The eye alone guides us through Nature's wonderful universe. It is worthy of the very best care.

Consider your vision as a business investment. Take proper care of your eyes, and they will pay dividends to you later in good health.

## 4 KNOCKOUTS AND 1 DECISION IN LEGION BOUTS

Boxing Fans And Fanettes  
Enjoy Treat; Sailors And  
Soldiers Mix Well

Four knockouts and one decision in six bouts—that's the treat that some three hundred local fight fans and fanettes were given last night at the regular monthly American Legion boxing show.

The main attraction of the evening was a scheduled four-round bout between "Sailor" Jungbluth and "Pickle 'em" Padula, the battling Arcadia soldier, at 133 pounds. After exchanging a series of fierce blows in the first round, which was even, the able seaman responded to the audience's cries of "Sink the ship" by landing a terrific uppercut on the unsuspecting soldier's chin, thereby sending said soldier to the "land of sweet dreams."

By far the best fight on the card was the three-round go between "Fighting Charlie" Grace and "Arizona" Whitman, which the former won by a shade. The boys were welterweights and were battlers from the word "go."

Prior to the first match Joe Griffin, the announcer, introduced "Spike" Robinson, former light-weight champion of Great Britain, as the referee.

In the curtain raiser "Kid" English and "Artie" Govert, clever Ross Field featherweights, engaged in a fast three-round draw.

The second bout went to "Early" Bird, who stopped "Twink" Starr with a left jab to the solar plexus in the first round. Their weight was 130 pounds.

The fourth battle of the evening was a speedy match between lightweights "Sailor" Yates and "Soldier" Hack in which the former scored a clean knockout in the second round with a powerful solar plexus blow.

In the semi-windup event Walter Dodge, the Glendale 138-pounder, was knocked out in the first round by "Young" Sabo, who planted a haymaker on the local boxer's stomach. At the count of nine Dodge showed his nerve when he stood up for more, only to be waved back by the referee.

Following the final exhibition the soldiers from Arcadia and the sailors from San Diego were given a rising vote of thanks for making the trip to put on the fights in Glendale. Some of them will probably be heard from in the Legion's next fights in July.

Sailor Jungbluth and Sailor Yates, U. S. N., members of the crew of the U. S. S. Wood, stationed at San Diego, were given special leave of absence through the courtesy of their commanding officer, Lieut. Homer B. Davis, and it is hoped by the local Legionnaires that more scrappers from the Destroyer Wood will be permitted to come here. H. J. O'Toole, another member of the crew, accompanied the gobs to Glendale, who are the guests of Dr. Gerhard Kaemmerling of 340 North Orange street, who is an uncle of Jungbluth.

## Theosophical Study Club Holds Social

The last meeting of the Theosophical Study club this season was held last night at the I. O. O. F. hall. At the conclusion of the program ice cream and cake was served to the thirty present, a number which shows the interest which has been created by the ten original members of the club. Prof. A. L. Jenkins, instructor in English at Lincoln high school, is president of the organization and Mrs. Anna Brinkley is the instructor.

## Margaret Spillane Weds P. D. Farber

Judge Frank H. Lowe, Glendale city recorder, performed his first local wedding ceremony this morning when he united in marriage Miss Margaret H. Spillane and Percival D. Farber, both of this city.

The judge says that it was all over so quickly he didn't have time to call in several members of the city departments who had requested they might witness the initial ceremony.

After a two-weeks' honeymoon Mr. and Mrs. Farber will make their home at 424 West Elk street.

# Come, Let Us Reason Together--Fairly and Calmly

The Municipal League and the so-called "Good Government" League complain bitterly because we are frankly discussing the issues of this campaign.

They say our arguments are chiefly for political purposes. Granted. This is a political, not a personal fight.

The civic views, intentions and affiliations of a candidate are proper and necessary subjects of discussion when he submits himself to his fellow citizens and asks their votes.

By what right can a candidate, embarrassed by a searching examination of his qualifications, cry "King's X" and gain immunity, like a child at play?

Government is a serious business.

## To the Candidates of the Municipal League:

Two or three days ago we asked you a plain, simple question—"Will you, or will you not, vote against a Sunday closing law, if introduced?"

To this you evasively answer: "We believe every man has a right to worship God when and how he pleases."

You have nowhere in your short, platitudinous statement denied that you would vote in favor of Sunday closing for Glendale if such an ordinance is introduced, notwithstanding our insistence upon a frank response.

Under all the circumstances we are forced to conclude that: THE MUNICIPAL LEAGUE CANDIDATES HAVE CONFESSED to a Sunday closing program.

"THEY SO CREDITABLY SERVE" THE CORPORATIONS.

The Good Government candidates, Stephenson and Lapham, are strongly endorsed by officers of the gas, telephone and railroad trusts whom "they so creditably serve." (See their ad. in Thursday's papers.)

It is scarcely necessary to remind the voters that: "No man can serve two masters, for either he will hate the one and love the other or else he will hold to the one and despise the other. Ye cannot serve God and mammon." Matt. 6:24.

# VOTE for ANDERSON, MABRY, KIMLIN, DAVIS, ROBINSON

## The Glendale Better Council Campaign Committee Recommends the Following Candidates:

### WILLIAM E. ANDERSON

410 West Los Feliz; age 50 years; resided in Glendale 15 years; garage and auto service business; a substantial, conservative, successful business man and a large taxpayer; he will be interested in economy and efficiency; he is a practical mechanical engineer and his knowledge as such will be of great service to the city; he will bring to the Board a long and successful business experience—a quality now needed in our city government.

### S. A. DAVIS

118 West Colorado; age 46 years; resided in Glendale 9 years; real estate and investment business; formerly in feed and fuel business. He has had an active, honorable and successful business career in our midst and he is a man of sane, independent judgment; he is prepared to give a great deal of his time and attention to the city's affairs.

### C. E. KIMLIN

219 North Isabel; age 40 years; resided in Glendale 8 years; he is business manager of our most famous institution, the Glendale Sanitarium and Hospital, known the country over. He is a man of great popularity because of his great ability and never failing courtesy. He has had twenty years of active and successful business experience; he has been actively interested in civic betterment and humanitarian movements.

### WILLIAM C. MABRY

115 East Acacia Avenue; age 49 years; resided in Glendale approximately 9 years; after his graduation from medical college he served his country in four campaigns: Spanish-American War; Chinese Boxer Expedition; Philippine Insurrection and the World War; throughout many years of army service and in civil life he has continuously occupied administrative and executive positions of great responsibility. During his residence in this city he was city health officer of Tropic during three administrations and was, for three or four years, president of the Tropic Chamber of Commerce; he also served as superintendent of the Play Grounds association and installed the Tropic playgrounds; he has been closely identified with every public improvement, including the paving and lighting of Brand boulevard and the acquisition of the water system; Dr. Mabry is a highly educated man and has had unusual training and experience in the field of sanitation, as this was one of his special duties during the many years he served in the army. His special knowledge and experience in the field of sanitation alone will not only protect the health of the city of Glendale in the event of the improvement of our water supply and the installation of a sewage disposal plant, but will save the taxpayers thousands if not hundreds of thousands of dollars. Dr. Mabry is a specialist and is not engaged in general practice; as a physician he thoroughly believes in medical freedom under the law; that is, he believes in the right of any individual to choose any method of healing he may desire; during the last nineteen months he has been in the service as Acting Assistant Surgeon, U. S. Public Health Service, in care of disabled veterans of the World War; all of the disabled veterans under his charge at Thornycroft warmly commend him.

## Double Birthday Party At W. C. Mabry Home

In honor of the eighth birthday of Janet Elizabeth Mabry and the fifth birthday of Betty Mabry, the mother of the two little girls, Mrs. W. C. Mabry of 115 East Acacia avenue, Friday, entertained twenty-five of their friends. The use of pink sweet-peas and festoons made the rooms very pretty and two big white cakes with pink candles graced the tables. Games were played on the lawn, and the chief feature of the happy afternoon was when the fishpond was discovered and the little guests fished for their favors.

Beside the two little hostesses those present were Mary Claire Morgan, Ethel May Hartman, Billy Hunt, Bobby Tholen, Peggy Weisenheimer, Stuart Weisenheimer, Pauline Scovern, Louis Scovern, Catherine Weyms, Carol May Evans, Rosalie Mudgett, Catherine Faries, Vida Clare, Caroline Everington, Jimmy Everington, Richard Sprenger, Gertrude Sprenger, Madelon Duryea and Billy Cummings all of Glendale; Margot Buxton of Chicago; Mary and Peggy Spencer of Blackford, Idaho; Mayne Thompson, Claire Thompson and John Magruder Thompson of Belleflower, Calif.

Personally we have considerable egotism, but something tells us that if we were a fish we would nab the hook.

## Makes Direct Appeal To Ex-Service Men

A direct appeal to all former service men to stand by their comrade was issued today by Col. James W. Everington, who retired from the regular army last year and has made his home in Glendale since, who urged the election of Dr. William C. Mabry to the city council because of his twenty years' service in the United States army and participation in four wars.

Colonel Everington's letter follows: "Comrades: We have been called upon to support one of our number in his campaign for public office. Fair enough. He is one of us, but if we are to support him because of his service record, let us be consistent and support all service men whose records in and out of the service warrant such support.

"Dr. William C. Mabry, who is a candidate for office, is also a former service man. His service record has been published by the Glendale Better Council committee. I am writing this letter because some of our number, who do not know the doctor, have questioned the correctness of the statement as published.

"My opinion, I should say, is formed from long acquaintance. I have known 'Doc' for about twenty years, we having first served together as lieutenants on duty with the Third Infantry, United States

army, consequently, I feel somewhat qualified to pass on the doctor's service record as published by the Better Council committee. The only comment I would make in vouching for the correctness of the record as published is to say that it did not half tell the tale.

"Dr. Mabry's military career may be said to have started early, as his great-grandfather served as a major in the Revolutionary army, his great grandfather in the War of 1812, his grandfather in the Mexican War and his father, four of his father's brothers and five of his mother's brothers entered the service. The doctor entered the service as an enlisted man in 1898, and won his promotion and served with distinction in many campaigns and engagements, having heard and felt more hostile bullets than many of us who are now wearing service stripes and buttons.

"If any of the former service candidates are entitled to our support

on the strength of their service records, the record of a man who has given the best of his life to the service, as Dr. Mabry has, entitles him to our best efforts.

"The stick-to-it-iveness, the bulldog determination, which enabled Dr. Mabry to swim rain-swollen tropical torrents and travel miles of flooded jungle alone, at night, in the heart of the enemy's country to secure aid for his command in the Philippines and which sustained him in the awful fights against cholera, in the tropics, and the 'flu' in our big

camps in this country, will get him what he goes after in the city council if you elect him. His many years of experience as an executive in the army and in civil life have given him a broader outlook upon life than that of the average professional man, and fit him for the position which his friends have now induced him to seek.

"As an exponent of fair play, I solicit your support for our comrade, William C. Mabry, the best all-round man in the race.

## The Glendale Municipal League

Presents to You the Most Capable, Business-Like, Representative Group of Candidates Running

**Mrs. Bartlett**  
347 North Brand

Conforming to the prevailing custom, I respectfully submit the following statement for the consideration of the public.

I have been a resident of Glendale for thirteen years, and watching its wonderful growth I have confidence it will continue. We are expanding in many directions very rapidly—new needs are constantly arising—but as far as consistent with our growth and development, I favor a progressive and economical administration of city affairs. Possibly many questions will arise in the future that we cannot now foresee. I am not pledged to any person, group, denomination or organization, but, if elected, expect to decide to the best of my ability, for the interests of the majority, regardless of locality.

I have been before the public in the following positions:

President of the Tuesday Afternoon Club for two years.

President of "Chapter L" P. E. O. for one and one-half years.

Purchasing Agent of the Glendale Red Cross Chapter for two years, and have been chairman of the Chapter for over two years.

For the past year I have been one of the City Trustees.

(Signed) ANN P. BARTLETT.  
June 22, 1921.

**W. B. Kirk**  
504 East Broadway

To the Citizens of Glendale:

For the thirteen years I have lived in Glendale I have tried to do my civic duty as I saw it and have loyally supported every effort made by the City Government to build up and "keep clean" our beautiful city. My work as secretary of the Chamber of Commerce in 1913 was so harmonious and happy, that I look back to it as one of the best years of my life.

Twenty years as traveling salesman for a large wholesale house in the middle west, ten years in the establishment of a shirt factory, and eight years in the insurance business in Glendale and Los Angeles, constitutes my business history.

At a real sacrifice to private interest I have agreed to make this race that I may be of service to my fellow-townsmen. I care nothing for political honors. I am against public pool-rooms and have always been strong for a swimming pool.

If elected I would continue to be what I have given evidence of being in the past. I regard a public office as a public trust and would strive to represent ALL the people. But, whoever we elect, let us hold up their hands, praise the good, minimize the mistakes, and continue good neighbors and friends.

(Signed)  
WILLIAM B. KIRK.

**Chas. H. Muhleman**  
222 East Garfield

Fellow Citizens:

I am a native of the State of Ohio. After removing to California in 1909 I built my home on what is now Garfield avenue, where I still reside with my wife and three children.

When I was twenty-one I became associated with the H. J. Heinz Company of Pittsburg and that association has remained up to the present time. I own business property in Glendale and am a member of the Glendale Chamber of Commerce. I have always been keenly interested and actively engaged in matters which affected civic affairs.

The chief issue before the people is to choose good citizens for city officials under the new Freeholders' Charter. There is no need of crimination or recrimination on the part of the candidates. There is no need for injecting the so-called "Blue Law" charges into the campaign to befog the real question, which is to secure sober, sane people of common sense to administer our growing city's affairs. I am glad to say that I am under no promise to any person, clique, or class of persons. My best endeavors would be used in the interests of the people.

(Signed)  
CHARLES H. MUHLEMAN.

**Howard W. Walker**  
1439 East California

To the Voters of Glendale:

In allowing my name to be placed in nomination for election to the City Council, I did so unpledged in any way, shape or manner, other than if elected to serve the City of Glendale, using my best business judgment, and at all times carrying out the will of the people.

A false issue has been raised by certain parties as the "Sunday Blue Laws." In that respect, I will state I am for the proper observance of Sunday as it is observed at the present time. It goes without question that a successful business man is not "fanatical," but would be guided in all questions of vital importance by the will of the people.

I have no personal ill feelings towards any of the candidates and whatever the result of the coming election may be, will render the new council my entire support.

(Signed)  
HOWARD W. WALKER.

**Henry W. Yarick**  
347 West Wilson

To the Voters of Glendale:

I have been a resident of the City of Glendale for the past fourteen years. I am proud of the great growth and splendid record the city has made, and if elected to the Council, will do all in my power to foster the city's progress and development, and uphold its reputation as a clean, progressive home town.

As a taxpayer, I am interested in seeing the tax burden lessened, waste eliminated wherever it may exist, and efficiency and economy practiced in the handling of the public's business. I am confident that many years of strict business training fully qualifies me for giving due consideration to all these matters.

I believe in giving every section of the city a square deal.

Much is being said about so-called "Blue Laws." This is merely a temporary agitation for political purposes only. I am not connected with any such movement, and have no knowledge that any such laws are even contemplated.

I am not pledged to any set policy, nor to any individual or organization. If you see fit to honor me with the office, I will serve the people to the best of my ability, and carry out the will of the majority of the people.

(Signed)  
HENRY W. YARICK.

### What Is the Municipal League?

The Municipal League is an organization of business men and other citizens who were among the first to see the need of some high-grade material in the City Council to manage the affairs of the city under our new charter, and have since given much of their time in thoughtful study of the situation and qualifications of all candidates for the office.

As the members of the league had no personal axes to grind they could look at the situation from an impartial standpoint. So they looked about for prospective councilmen who were capable, representative and upstanding citizens of long residence in Glendale, familiar with city affairs, and with no special political, business or personal alliances to serve, and who were willing to work at the job and give it the same attention that they had their private affairs.

After our deliberations we were proud to recommend to the voters of Glendale the candidacies of Ann P. Bartlett, William B. Kirk, Charles H. Muhleman, Howard W. Walker and Henry W. Yarick.

Later our candidates were endorsed by the Federated Brotherhoods of Glendale, whose slogan is "A Clean City Kept Clean."

The Glendale Municipal League is making a fair, open, businesslike campaign without unpleasant personalities and intends so to continue until 7 o'clock Tuesday night. On Wednesday we expect to have no rash charges or bitter statements to regret.

Glendale is too wholesome a community to complacently tolerate any other kind of campaign.

### Voters of Glendale! By All Means VOTE!

If you neglect to vote what right have you to object to any possible lack of proper administration of your city affairs later on? Vote for our candidates for the following seven reasons:

#### 1—CHARACTER.

They are socially, educationally, and morally strong outstanding personalities of proven integrity that the people can absolutely trust.

#### 2—INDEPENDENCE.

They are not pledged to any man, measure, corporation, or group of men whatsoever. They are determined only to serve the people faithfully and carry out the will of the majority.

#### 3—REPRESENTATIVENESS.

They are residents of different sections of the city, north, south, east, west, center. They understand the needs of their respective districts and yet are of that broadspirited type that will not forget the interests of our city as a whole.

#### 4—RESIDENCE.

They are residents of many years. Not one has lived in Glendale less than twelve years. They know the city.

#### 5—BUSINESS CAPACITY.

They are without exception property holding citizens with unusual experience in conducting business for others as well as for themselves. They understand administration.

#### 6—HARMONY AND OPTIMISM.

They are aggressive boosters with enthusiastic hopes for the greater Glendale. "Knocking" is not in their vocabulary. If you want harmony and optimism elect them.

#### 7—SENSE.

They are sane, friendly and judicial and positively have no intention of foisting "Blue Laws" and "fanatical legislation" upon Glendale. They completely deserve the confidence of sensible citizens.
